Docket No. \_\_\_\_\_

**JOINT APPLICATION OF VERIZON LONG DISTANCE LLC AND  
VERIZON ENTERPRISE SOLUTIONS LLC**

Pursuant to S.C. Code Ann. § 58-9-310 (Supp. 2013), Verizon Long Distance LLC ("VLD") and Verizon Enterprise Solutions LLC ("VES") (together herein referred to as the Applicants") respectfully request that the Commission approve their merger and waive any applicable customer transfer requirements that differ from the FCC's rules regarding the transfer of customer bases. Because the Applicants intend to close their merger on November 15, 2014, the Applicants respectfully request that the Commission expedite its review of this Application so as to make possible a closing of the proposed merger by that date. In support of this Application, Applicants would show unto this Commission as follows:

**I. DESCRIPTION OF THE APPLICANTS.**

VLD and VES are both single-member limited liability companies formed in Delaware. They are affiliates; both are wholly owned subsidiaries of the same single-member, Verizon New York Inc.<sup>1</sup> VLD and VES are today (even before the merger) served by the same officers and directors. Both Applicants provide long-distance and

other telecommunications services throughout most of the United States.<sup>2</sup> This Commission granted certificates of public convenience and necessity to VES pursuant to Order No. 96-732, issued October 22, 1996, in Docket No. 96-230-C, and to VLD pursuant to Order No. 96-377, issued June 10, 1996, in Docket No. 96-51-C. If the Commission grants the approval of the merger requested in this Application, VES further requests that the Commission grant the withdrawal of VES's certificate to become effective as of November 15, 2014, pursuant to S.C. Code Ann. §58-9-300 (Supp. 2013).

## **II. CONTACT INFORMATION.**

The designated contact for both VES and VLD for any correspondence or inquiries regarding this Application is:

## **III. DESCRIPTION OF THE PROPOSED REORGANIZATION.**

Following the planned merger, the surviving entity will be Verizon Long Distance LLC. VLD will remain a wholly owned subsidiary of the same single-member, Verizon New York Inc. Exhibit "A," which accompanies this Application, shows the relationship of the entities before and after the merger.

The transaction will not result in a change of the affected customers' rates, terms, and conditions for their regulated services, except that those customers who were

previously served by VES will be served by VLD following the merger.<sup>3</sup> VES's tariffs will be withdrawn upon consummation of the merger. Services that were provided under tariffs filed by VES before the merger will be available under VLD tariffs, which VLD will revise as necessary.

VES's customers will be sent notices of the planned change in providers on or about September 1, 2014. The notices will inform VES's customers that they have the right to select any available provider for regional toll and long distance services, and that they may choose to switch to another carrier at any time before or after the merger. VES will not assess any carrier change charge or fees on its customers if they choose to change to another carrier before the merger. In October, the Applicants will file a notice with the Federal Communications Commission to indicate the intended transfer of subscribers.

#### **IV. THE PLANNED REORGANIZATION IS IN THE PUBLIC INTEREST.**

Merging VLD and VES is in the public interest. This proposed transaction will help to simplify and streamline the internal structure of affiliated Verizon entities. That simplification, in turn, should reduce the unnecessary administrative costs and burdens of maintaining two different entities, when one can suffice to serve customers with the same services. As noted above, VLD and VES are already served by the same officers and directors, and no change in management is anticipated as a result of this merger. The direct and indirect parents of these entities will remain the same. The reorganization will not diminish any of the financial, managerial, or technical resources of the resulting entity providing telecommunications services. The reorganization will not affect the

services available to customers or the rates, terms, and conditions for such services. The merger will allow the companies to compete more efficiently, which ultimately benefits customers.

## V. CONCLUSION

For the foregoing reasons, the Applicants respectfully request the Commission's approval of the proposed merger and waiver of any applicable customer transfer requirements that differ from the FCC's rules regarding the transfer of customer bases.

Respectfully submitted,

**DOCKET NO. 2014-\_\_-C**

Docket Summary: Application of Verizon Long Distance LLC ("VLD") and Verizon Enterprise Solutions LLC ("VES") for Approval of a Plan of Reorganization

Verizon Long Distance LLC and Verizon Enterprise Solutions LLC have filed an application with the Public Service Commission of South Carolina ("Commission") pursuant to S.C. Code Ann. §58-9-310 (Supp. 2013) for approval of a plan of reorganization. According to the Application, the reorganization will result in no change to rates, terms and conditions of regulated services to customers, except that customers previously served by VES will be served by VLD following a merger of the two entities. Further, affected customers will be sent a notice on or about September 1, 2014, informing them that they will have the right to select any available provider for regional toll and long distance services and that they may choose another carrier prior to or after the merger without any charge or fee associated with a change in provider. The Application further states that no change in management is anticipated as a result of the proposed merger and that all financial, managerial and technical resources available to each entity will be available to the reorganized entity undiminished. The Application states that the reorganization will permit more efficient competition and therefore benefits customers. For these reasons, the Application asserts that the proposed merger is in the public interest.
